Since the funding has been reduced, it proves to be too expensive for an over night camp such as this to run. Specifically, Nikki Bodel mentioned the keenness of KV students and their enthusiasm reignited her passion for environmental education. As it can only run every two years, they are looking for other initiatives in the alternate years eg brush tail wallaby</p> <p>Looking toward 2025- colour run 2.0? hammocks garden? Notes	<p>Year Six Farewell - A huge thank you to Wildwood for hosting the Yr 6 Farewell for free. The guests contributed \$25 per person which went to the Brush Tail Wallaby. Thank you to the year 6 parents who have pulled together to make this a memorable occasion. The year 6 farewell will be added to next year's agenda - in terms of cost for year 6 dinner. Wildwood was generous perhaps we could consider a donation. To be added to second meeting- so the farewell can be planned.</p> <p>KV Community Hall - Damage to projector and sound at the KV Hall. Kate to follow up with Jacqui, Brad will approach Christian, a local audio and sound person. Todd has a back up projector and screen.</p> <p>Uniform Shop – Feb 3 on school verandah – the square will be in the office. Thanks, Trudie</p> <p>Platypus Camp- Tuneil asked for approval to draft letter to someone of importance to support initiatives such as this. The value to children, school and greater community as well as supporting DoE's commitment to sustainability. Tuneil asked permission to approach local P &C's to also show support of funding. Jen suggested asking Nikki Bodel who the appropriate person to send.</p> <p style="text-align: center;">- All in favour - Approved</p> <p>Grow Your Mind - Peter Clark approached Jason– looking at a funding reinvigoration of this program. Relies on funding and teacher commitment to fit into schedule. It is a program for mental health and wellness including explicitly teaching mindfulness for children in a presentable way. Jane Gripper previously ran it. After an evaluation at the time, the staff were not on board to continue for a few reasons including the cost for something that was not a physical resource. Jen will take to staff when they evaluate the programs to run at the school. Lyn Robinson covers much of the subjects covered within PD/H.</p> <p>Subscriptions – Emma raised funding for subscriptions. They may be expensive however they can be worthwhile. Jen informed the P&C that if the school cannot pay for a subscription, the teachers fund it out of their own pocket. It is something to consider for next year. We could seek subscriptions sponsorship through community groups/members. Jen to raise at staff development days eg Nessy, Pm Readers, Athletics etc</p> <p>KV Community Hall Letter - Heidi wrote to Mayor- Mayor's PA responded– meeting with council in near future and staff to discuss item. The letter was acknowledged.</p>
