Notes	Chickens – This week a call went out to the school community to volunteer to look after the chickens over the holidays. Staff members volunteered their time last school holidays. Ask local parents to release in the mornings and lock up at night. Food will be stocked. Taneka works the second week- mornings to release the chickens, someone in the afternoon to lock up. Mural Mock Ups- Looked up and discussed. Everyone loved the mock up, the colours, the flowers and overall design. We have three lots of feedback. Feedback: Red centre- rather bring in colours of the valley, maybe an escarpment, add an echidna, king parrot, lyrebird. Frog, lizard, beetle to be replaced. Preparation in holidays, student workshop to begin in the first couple of weeks. Discussion of two plans for 2026 school year, more information to follow.

Difference between 2% to 6% commission in addition to 10-12 hours of volunteer programming of all the items and terms and conditions. Could be user issues in addition to website glitches. Feedback- an email to everyone who has donated and asking what would you like to contribute. Succession planning for new volunteers.

Notes	Children's Artworks – Discussion, no approval required from P&C. Toni is happy to organise. \$200 in profit but a nice keepsake for parents and children KV Christmas Twilight Shopping Night 05.12.2025 – Craft activity. Low input from an adult, quick and easy to prepare. Crowns to be sourced for children to feed through. Perhaps change spot closer to the action. Lisa Mumm to be asked if there is a cheaper source for crowns. Trudie to take the lead on craft activity

Notes	Grant for Film Making Equipment – Kerry, Lyn and Bree attended PL around film making. Around 80 students came to create film in a workshop hosted by the school. Proved to be a huge success and generated interest within our children. Kerry submitted a grant for 8 iPads, microphones, green screen and screen lights \$7915. Grant will not cover cost of technology. Grant rejected due to not covering technology. Positive reception from P&C. Future workshops explored as The Arts Unit provide the staff and equipment for the workshops. On the Projects to be Considered list – we will look at the budget and make a decision once we have a little more information on the other projects.	

- Review of budget and priority list against other projects

KV Cubby Village - \$4860 each, \$750 installation for each of the four cubbies and internal furnishings \$24 000. Illaroo Rd P&C funded. Local builder for well crafted leak proof, treated cubbies- ask for a quote. Trudie to ask Will, a local builder, for a quote. Tim Ashcroft will ask to quote.
