Agenda Item	Principal's Report	
Notes	<p><b>Gentleman Golf Day:</b> Thank you to all involved in the Gentleman's Golf Day and their generous contribution for the school and preschool.</p> <p><b>External School Fence:</b> Jen spoke with DoE regarding the fence. For now, the fence is on hold.</p> <p><b>Sports Shed:</b> The shed is almost demolished to make way for the new sports shed which, if all goes well, should be completed by the end of school holidays.</p> <p><b>PM Reader App Trial:</b> Thank you for those parents who offered feedback. It may be used as an 'opt in' and could benefit children with specific learning programmes. It was asked if teachers can use in class, however teachers tend to use printed books. The opt in app has good advantages eg. Children can attempt different levels at home with the teacher able to set a level range. When offered to specific children on programmes, School Bytes can be set up for families to pay a nominal amount with Kerri monitoring the subscriptions.</p>

Agenda Item	Treasurer's Report		
Notes	Golf Day Transfer: Tracey asked for instruction regarding the money transfer for the Golf Day. Asked to transfer directly to P&C account. Jayne brought the cash from Golf Day to be deposited in the bank account. Let's all acknowledge Linc's money prowess and his spreadsheet capabilities when it comes to money counting- Brad and Tim in awe. Raised \$6856.50.  Viewed Treasurer's Report: See Appendix 1.

Cash from Golf Day to be deposited at Post Office using the key card		Brad	Directly after meeting
Agenda Item	APPROVALS		
Notes	Ladies Long Lunch Raffle:\$200 for printing and signage for sponsors, online raffle fee- last year it was \$39. May not use it all \$200. Other raffles and games will be run separately including wood raffle, merry boot, possible silent auction. P&C itemised and worked well last year.  - All in favour - Approved		

Agenda Item	Fundraising Update
<b>Notes</b>	<p><b>Ladies Long Lunch:</b> Not an official P&amp;C event. Nikki, Sally, Lisa and Emma will lead. P&amp;C will be the beneficiaries of money raised. We are not responsible for details such as RSA, ticketing, GST etc. The P&amp;C raffle, games of chance and lucky dips are what raises the money. Tentative date: Thursday 21 August. Angie and Caterina to cater at Wildwood. Toni, Abbey, Sam, have joined to assist. It was quite a bit of work last year and we are thankful to all the volunteers.</p>
Agenda Item	General Business
<b>Notes</b>	<p><b>SRC Feedback:</b> A bit quiet this year. Emma and Jen needed to tease ideas and they raised a charity run and a kindy SRC member raised a science lab. Other ideas such as Bring Your Pet to School Day, swings, trampoline, Australian reptiles- eg an excursion to the Central Coast park could not be considered for a number of reasons including safety. Other children offered a Pyjama Day and Sports Day. For the second year in a row, students raised a school native bee hive. We would have to order in advance. This meeting showed that children do not see that their school is missing anything. A Stage 3 child asked about football posts. The soccer posts were made by Brad and could be interchanged with other posts. Brad already has the parts for the football posts which would be placed on the top field- these were made by recycled materials.</p> <p><b>Beautifying Court Yard:</b> Brick wall below the flag pole and seating. A suggestion was to engage a graffiti artist or indigenous artist who could incorporate animals found around the school and turn into graffiti with a natural backdrop. Seating was also raised eg. existing green bench seat to be replaced by modular single seats and to put away when not in use. Other ideas include something to soften angle on the two brick walls- no hard edges. This will be at the P&amp;C expense, will add to the beautification of the school and is a project which offers longevity to the students and school community. A number of considerations including: who will be involved in artistic side, finding an artist, perhaps begin in two stages eg wall first, potted plants and seating second. Engage local nursery to offer suggestions for plants to survive the six week shut down of the school. Interactive paintings on concrete eg hundreds chart, fitness circuit.</p> <p><b>Education Week-</b> SLSOs to cook, Emma to order. Other volunteers needed to assist for a short time so they may visit their children. Drinks are left over from previous events. Lunch- sausages on bread- all gluten free, accommodate gluten intolerance with gluten free bread. No vegetarians however will be ordered if necessary.</p> <p><b>Flexischools</b> – Tuneil to post on KV Mums and Dads page again. Jen to remind students at assembly. Start Week 1. Vicki closed next week. Print menus for kids.</p> <p><b>Update on Sculptures:</b> Funding has fallen through for a prize. Sculpture to be made for families to see. It was suggested that there could be a play and make session with materials onsite and a volunteer sculptor to run on the two Saturdays between 1-3pm. Two options for the school sculpture 1. Out front of the school to support the festival</p>

2. If there is a dedicated tree to hang at the site. To create the sculpture, Camille and Kat to take each class for part of the day.

**Year 6 Dinner:** Save the date from last meeting. Alex from Wildwood happy to host. He will provide three different quotes eg wood fire pizza- children to decide. He asked for projected numbers- 50 approx. two adults per child, children and ten staff. Largest year six dinner in some time. Alex will then lock it in and let us know how much for food and venue at minimal cost. Alex is generous and a support to our school and community.
