3. Annual Reports:
 Principal Report:
 Thanks everybody. Looking forward to exciting 2016. Lots going on.
 Handed out a sheet outlining some of the school spending this year. Technology updates, projectors out of warranty and costing a lot to replace, TV screens with wifi technology are replacements. One for each class room is ideal, start with 2 rooms and assess.
 Spider web climbing frame, big investment 4m frame spider web design with soft fall base. Educational policy lends towards soft fall over mulch. Hoping P&C will be able to fund soft fall and school cover the cost of the spider web.
 Whole new admin system going in, requires upgrade of computers and printers, and new blower for grounds and maintenance.
 Also, just like to mention Mark, Marcus and Kitohnia are with KVPS from East Arnhem Land. Grandmother Batumbil has identified Mark and Marcus as future leaders for community and thought they might benefit from a link with our school here. Grandmother Batumbil was schooled by missionaries, then a school teacher, ran local school, is an elder and an artist. School closed down when Howard Govt. brought in policies in Arnhem Land. Kids moved to centralised schools. She has a lot of teaching knowledge. Real hope for these kids to spend at least ½ term to 1 term here with us. English not first language. She is happy to spend time at school. Lots of stories and skills to share. Everyone settling in. And could develop into something more permanent. Great opportunity for KVPS kids.
 Gearing up for Anzac day. Kids Easter raffle. Start next term cross country and Estiedfford & choral festival. Revisit at end of year to look at and discuss which events we want to perform in and see if anything else KVPS wants to participate in. Southern Stars?? Maybe an option.
