• **Wakkakirri**

Performance at Entertainment Centre is the big event for the year. There will be a need for costumes.

• **Gymnastics**

Going well. The kids love it. Premiers Sporting Grant can be claimed for this type of activity. Vicki suggested that the gymnastics could be extended with the grant money. Andrew will look into it.

• **Bats**

Bats have colonised in the neighbourhood and are now coming into the trees in Kookaburra Creek. Andrew contacted council about the bats. Spoke with Threatened Species Officer and received good information about them. Authorities have done head count. The population is increasing. Andrew wrote a risk assessment for the School Board. If the bats come down into the school then its can progress to the next level. The children have been told to stay away from them.

• **Kookaburra Creek Upgrade**

Contacted Grounds & Maintenance. We need to decide what we want and get some quotes. Then take the proposal back to them.

• Coding Programme

Starts next term. About \$5 per session, like the Gymnastics. P&C may contribute to this.

Canteen

- Transferred \$5,000 to the P&C account.
- Bought new baskets and drinks containers.
- There was water in the lights. Andrew has had this looked at.
- Photos of the nut-free children are in the canteen now and nut-free biscuits have been sourced.

Discussion
