Week 7

Week 7 is here and finally some rain today! What an end to the week we had last week with Kiyomi Sensei and her Taiko Drumming workshop for us all to take part in. We learnt a lot about the Taiko and how to hold the drumsticks (bachi) effectively for good Taiko Drumming, how to count to eight in Japanese, how to connect with the tempo and rhythm of our drumming and importantly how to work as a team of Taiko drummers. 'Domo Arigato' Kiyomi Sensei for a great experience.

Kindergarten 2020 Tomorrow we welcome our 2020 Kindergarten students for their first orientation day with Mrs Sutton and again on Friday 6th of December. How exciting!

Year 3/4 Assembly Tomorrow Year 3/4 will be sharing their studies around their Gold unit of study and their Platypus IEEC experience - 2.30 pm in the hall.

Flying Foxes Last week during the very hot weather day we had many bats seek the cool roost of our large camphor laurel tree near the school tennis court and we asked the students not to play under that tree at the time. They have now returned to the trees on our school boundary and all our students are aware of what to do if they happen to see a bat on the ground or in the trees within our school grounds(as part of our official WH&S Flying Fox risk assessment). This may happen again over the summer during extremely hot days and we will manage it as the situation occurs.

Student Mobile Phones I am aware that some of our older students carry mobile phones to and from school for the purpose of contacting family, if required. I ask that if this is the case for your child, please communicate this to the school (via an email or written note) that your child is doing so. Phones will then be handed in to class teachers at the start of the day and collected at the end of the school day. Helping to teach our children to make informed decisions and have positive 'online' experiences in their day to day digital world is a school and community partnership. If you are looking to seek any information around e-safety there are many informative resources on the e-safety website <https://www.esafety.gov.au/>

Helpers' Morning Tea This Thursday we welcome all our amazing parent/carer, community and scripture helpers to share morning tea with us as a token of our appreciation for the valuable time and relationships you create with our school and our students. See you at 11.15am - we will provide morning tea (tea, coffee and water).

Athletics Carnival This Friday(29th November) we will be running our school house athletics carnival at Osborne Park for all K-6 students. Students are encouraged to wear house colours on the day. Thank you Mrs Robinson for your time taken to organise it. Thank you to parents and carers who have offered to help on the day. Students will walk from school to Osborne Park at 9.30am

CMRI Poetry Afternoon - Tuesday 10th December (Week 9) We will be having a celebration of poetry in the school hall (similar to what we did last year) starting at 1.30pm. Our students have been encouraged to recite poems as a class, individual, or with a friend. All welcome.

Huskisson Picnic Day – Wednesday 18th December (Week 10) This year for our final student day we will be spending the day down at Huskisson for a picnic. Our amazing P&C have funded buses to transport us there and back. **Please feel free to follow us down and join us, as a way of celebrating 2019.** We plan to depart school at 9.30am and leave Huskisson at 2pm. A permission note will go out early next week.
