## Tuckshop Roster

1/08/19 G. Folden C. Dillon

8/08/19 V. Barger J. Steele

15/08/19 K. Grundy M.  
Schwegler

## Principal's Report

Week one of Term 3 has come and gone and August is upon us this week. Today we are recovering from our wonderful night of Wakakirri wonder that was our whole school performance. We are now looking ahead to Term 3 activities such class assemblies, our Education Week celebration (book fair, book parade, BBQ lunch), end of term school disco at the village hall and Stage 3 camp to Kilealea State Park with our new Stage 3 friends coming all the way from Tullamore Public School to join us.

## Wakakirri Success

Last night's performance for Wakakirri this year was such a great performing arts experience for our whole school. Being able to rehearse and perform in full costume and make up, under lights, on a large stage at a professional space, I believe, is a unique experience that not all children will experience. It is because of the support of so many in our school community and even our village community that our students were able to experience this and hopefully it will be one of those school events they always remember. Once again thank you to all our school staff, all our parent and relative helpers and most importantly all our students performers. Of course, a massive thank you to Miss Jarvis and Mrs Luba.

## Education Week Celebration - Save the date: Wednesday August 21st

Our school will be celebrating Education Week in Week 5 this term. On Wednesday, 21st of August we will be celebrating the theme 'Student Voice' with open classrooms, our school book fair, book character parade and a local produce BBQ lunch. Everyone is welcome.

## District Athletics Carnival

Our district athletics carnival will be held next Thursday morning (high jump representatives) 8th August and Friday (track and field events) 9th August at Shoalhaven High School and a permission note will go out this week for our district representatives.

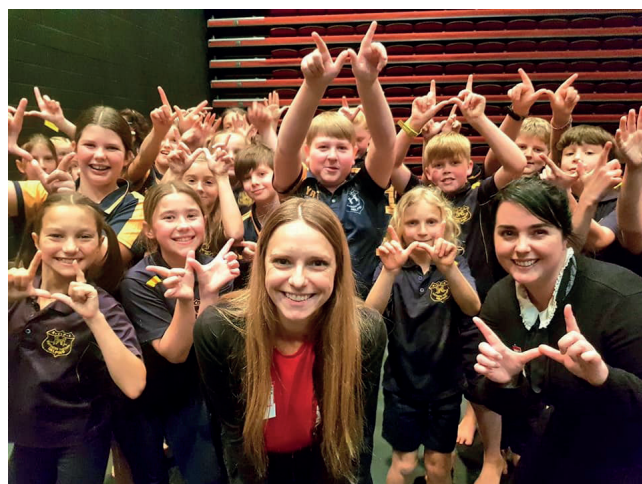

## No peanuts, no tree nuts, no peanut butter at school!

Please be aware that NSW Department of Education policy (Allergy and Anaphylaxis management) states that peanuts and tree nuts are not to be brought in to schools or used in curriculum activities. No peanut butter either. This does however not include food types that states on packaging 'may contain traces of nuts'.

Ticket price includes food. (18+ Only)

**Wakakirri Pictures**

The 2019 Trek for Timor through Morton National Park, Kangaroo Valley, will be held on Saturday 14th September. Registrations are now open and we enthusiastically encourage young people to take part. Participants walk – or run! - in teams of between 2 and 6, and previous events have proven to be a fantastic event for the whole family.

Participants have a choice of how far they'd like to walk - either 14kms or 36kms or 50kms. As well as completing the physical challenge, many young people benefit by learning about the disadvantage experienced by people of similar ages in Timor Leste.

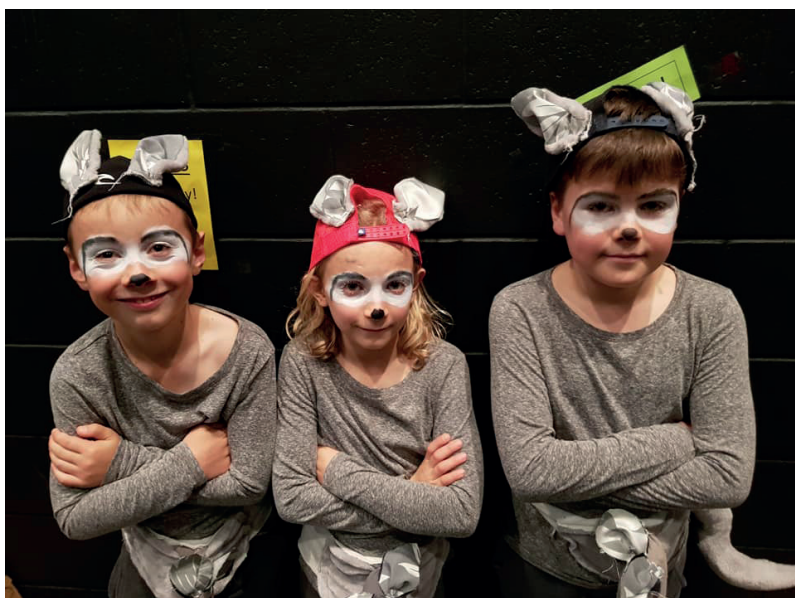

What are we raising money for?

The Kangaroo Valley Remexio Partnership (KVRP) has been working in Timor Leste for nearly 20 years. We have completed many projects over the years, including the construction of our first 'student house' in Dili. Our current focus continues to be on creating educational opportunities for young people. Without external funding from groups like ours, many Timorese young people, especially in rural communities, would be unable to continue their education. Our previous Trek in May 2018 raised enough funds to buy a second student house in Dili. This year we hope to raise enough money to renovate the house to a standard where it is suitable for between eight to 10 students. We also assist students with fees and living expenses.

If students and their families are interested in learning more about the work we are doing in Timor Leste, we recommend they visit our website: <http://www.kvrp.net.au/>

The Trek for Timor is a unique experience in our beautiful region; it's an opportunity to explore some of the most glorious bushland on Earth while helping disadvantaged communities in Timor Leste. We'll have local food provided by volunteers and some fun and encouragement along the way.

**Registration Information:**  
Early bird registration (before July 31st) - \$50  
Registration from 1 August - \$65  
Children under 12 years – free

Until 31 August, grab your weekend ticket for just \$100. That's a saving of \$25 on the gate price. Check out ticket prices at our website or click below for secure on line booking through Ticketebo with no booking fee!

## DOUBLE DELIGHT FOR ACTIVE KIDS

Thanks to the Active Kids vouchers local kids are keeping active while their parents are keeping the cash.

I am so pleased to advise that from **01 July 2019** each school-enrolled child will now be able to access **two \$100 Active Kids vouchers** per year.

The money will help you pay registration costs for sport and recreation, so that your kid(s) can participate and stay active all year-round.

Families across the region keep telling me how much the Active Kids Vouchers help them manage the cost of living. Now with **two Active Kids \$100 vouchers per school enrolled child**, you can keep even more money in your back pocket while your kid(s) stay happy and healthy.

Since the Active Kids program was launched in 2018, more than one million vouchers have been redeemed and more than \$100 million saved by NSW families.

It is a big win for NSW when more kids can participate in sport because of the Government's drive to take down the barriers to expensive registration costs.

Whether it is soccer, scouts, AFL, rugby, netball, golf or volleyball, you're sure to find an activity your kid(s) will love. Active Kids really is making a difference to children's participation in sport and active recreation in NSW.

From January – June there was an overall increase of 13 per cent in the number of Active Kids' vouchers created, including a 17 per cent rise in vouchers created for girls following an influx of registrations for dance, gymnastics, tennis and swimming Active Kids providers.

These are incredible results and demonstrate why the NSW Government is investing an additional \$40 million this year to expand the Active Kids program."

From 01 July, parents of school-enrolled children can access a second \$100 Active Kids voucher to use towards registration and membership fees for sport and active recreation each year. For further information visit [sport.nsw.gov.au/activekids](http://sport.nsw.gov.au/activekids) or call 13 13 02.
